DPF 6000XRP + X-Scape[®] TECHNOLOGY

DPF 6000XRP is a gloss white cast film with bubble releasing, tinted, clean removing, repositionable, permanent pressure-sensitive adhesive. The X-Scape Technology[®] system allows installers to achieve a speedy installation while maintaining a high enough tack to ensure a long-term bond. Designed for large format graphics, DPF 6000XRP is made of premium quality cast facestock with a lay-flat liner. The adhesive system is designed to provide excellent opacity, as well as easy installation. The film provides superior conformability around rivets, curves, contours and channels.

Unique Features:

- Deep Channel Warranty
- No Primer Needed
- Most Consistent Print Quality

Applications:

- Flat trucks
- Cars
- Cargo Vans
- Passenger vans
- Buses
- Trains, Trams
- General signage

Categories:

- Vehicle Graphics
- Commercial Graphics

Certified for
HP Latex Inks
